## Age Verification

The City of Raleigh Parks and Recreation Department strives to provide age appropriate curriculum and programming for all recreation services delivered. To meet this goal, the age of the participant, as of the cut-off date for the program, is required at the time of registration to appropriately place the participant in our programs. The Parks and Recreation Department reserves the right to request that the parent/guardian provide a legal document (i.e. birth certificate) verifying the age of the participant, as of August 31st this year that was denoted on the registration form. If legal documentation is requested and not provided within the specified timeframe established by the program supervisor, the program supervisor may offer the parent/guardian a transfer to an age appropriate program if available or dismiss the participant from the program. The parent/guardian will be responsible for any difference in fee if a transfer occurs. No refund will be given if the participant is dismissed from the program.

## Babysitting

Any babysitting arrangements with present or former staff of the Raleigh Parks and Recreation Department are separate and independent from any Departmental program. These arrangements must be based on the independent responsibility and judgment of the parent or guardian. The City of Raleigh Parks and Recreation Department shall not be responsible for any claims or liability in connection with such babysitting activities.

## Behavior Management

We utilize and encourage the practice of praise and positive reinforcement as effective methods of behavior management. We believe that when participants receive positive and understanding interactions, they can develop good self-concept, problem-solving abilities, and self-discipline. The City of Raleigh Parks and Recreation Department supports and practices the following procedures for behavior problems:

1. Initially, participants will be given a quiet reprimand/verbal warning.
2. If behavior persists after verbal warning, a Behavior Action Plan will be implemented to identify specific behaviors and work with the participant and parent/guardian to develop appropriate behavior management solutions.
3. If behavior problems continue after implementation of the Behavior Action Plan, a first Incident Report will be presented to the parent/guardian.
4. Additional behavior problems will constitute a second Incident Report presented to the parent/guardian and a possible two (2) full-day suspension from the program may occur (no refunds will be given for the days suspended). The parent/guardian may be requested to pick up the participant within an hour of the initial contact to the parent/guardian. If a parent/guardian does not pick up the participant within an hour, a late fee may be charged.
5. If a behavior problem persists, a third Incident Report will be presented and the participant may be asked to leave the program. A two (2) full day suspension will be issued to the participant while the incident reports are being reviewed.
6. For severe offenses, such as but not limited to: fighting/hitting, theft, vandalism, bullying, possession of weapons or drugs, severe verbal threats, sexual misconduct, or any other safety related behavior, the participant may be suspended or dismissed from the program immediately. Any of the above mentioned behaviors may result in immediate suspension or expulsion from program.
7. Participants will not be disciplined in camp for behavior that occurred outside of camp hours, even at parental requests.
8. Participation in camp activities during program hours is required.

## Confidentiality

Raleigh Parks and Recreation staff will not discuss confidential matters or personal information with anyone outside of Raleigh Parks and Recreation or with unauthorized individuals. All participants are encouraged to respect the confidentiality of other participants by not disclosing personal information in public displays such as My Space, Facebook, Twitter, etc. Raleigh Parks and Recreation staff are not permitted to share personal information or pictures about any participants or staff in any public display area such as My Space, Facebook, Twitter, etc. or discuss any personal information about participants outside of the workplace.

## Dress Code

Participants should wear cool, comfortable clothing and tennis shoes in order to participate in recreational or athletic activities each day. If appropriate attire is not worn, therefore preventing participation, the parent/guardian may be asked to bring appropriate clothing or will be required to pick up the participant. In general, rubber shoes "croc's," are not recommended as acceptable attire for active recreation activities. Certain camps may have additional clothing requirements. Unacceptable attire: sandals or flip-flops; shirts with spaghetti straps; clothing that displays drugs, alcohol, tobacco, or gang references; two piece bathing suits (age 12 and up); excessively loose pants or shirts; revealing clothing; jewelry.

## Electronic Devices

Staff reserves the right to confiscate electronic devices if issues arise. Confiscated electronics will be returned to the parent/guardian at the end of the day.

**Youth Camps:** No electronic devices are allowed (examples: cell phones, MP3 players, gaming devices, etc.)

**Teen Camps:** Cell phones are not allowed. Electronic devices such as MP3 players or gaming devices are allowed during designated "down time" with signed waivers.

## Field Trips

Raleigh Parks and Recreation will transport participants offsite in vehicles provided by or contracted by the City of Raleigh. If a program participant arrives at camp after the scheduled departure for a field trip, it is the responsibility of the parent/guardian to either:

- Transport the participant to the field trip location and sign-in the participant with a City of Raleigh camp staff member at the field trip site, or;
- Transport the participant to the camp site once the camp returns from the field trip location and sign-in.

Participants cannot be left at a camp location without camp staff present. Refunds will not be awarded if participant misses a field trip. The City of Raleigh Parks and Recreation Department does not accept responsibility for a program participant until they are signed in with program staff.

If a parent/guardian needs to pick up a participant while on a field trip, it is the responsibility of the parent/guardian to pick up the participant at the field trip location. Confirmation of the early release is required prior to participant being released.

## Illness/Injury

Any participant should remain home from all summer camps if they have had any of the following in the past twenty-four (24) hours:

- Contagious conditions (i.e. fever- 100 degrees or higher without fever reducing medication, diarrhea, vomiting, sore throat, undiagnosed rash, chicken pox, pink eye, ring worm, head lice, etc)
- Physical Injury that does not allow the participant to safely participate in the camp program.

If a participant demonstrates any of the above while at camp, the parent/guardian will have one hour to pick up the participant from the camp location.

If the participant becomes sick while at camp, he/she will be separated from the other participants while the parent/guardian is called to come and pick them up. After 24 hours, if the participant is symptom free or written documentation has been received from a doctor stating the participant is not contagious or can safely participate, they may return to camp. If you suspect that your child has a contagious condition that may be spread to others, please notify your camp director as soon as possible. Please do not bring the participant back to camp until the camp director has been contacted.

## Inclusion Services

The Raleigh Parks and Recreation Department welcomes the participation of all individuals in our programs, including those with disabilities. We are fully committed to complying with the ADA and providing reasonable accommodations to facilitate participation in our programs.

Inclusion Services supports access to typical programs for participants

# 2011 Camp Policies

with special needs by offering reasonable and appropriate resources to the participant. Resources may include, but are not limited to, parent and/or service provider interviews, supportive materials, program site specific training and/or additional staff support for the group. Participants who indicate a disability or special need on the registration form may be contacted by Inclusion Services to determine if any of the above resources are necessary for participation. Those participants requiring a more intensive level of support may consider having their own care provider at the program. To ensure that adequate resources are in place, registration should be received at least two weeks prior to the start date of the program. Please contact Inclusion Services at 807-5428 for more information.

## Late Pick-up

Participants that are picked up after the closing time of camp will be charged a late fee. The fee is as follows: Once the parent/guardian is up to ten minutes late a \$5 fee will be charged per participant. An additional \$1 per participant will be added for every minute past ten minutes late. Payment is due at the time of late pick-up. Continual late pickups may lead to dismissal from the program in relation to excessive late pick-up policy forms.

## Lost/Stolen Items

The City of Raleigh Parks and Recreation Department is not responsible for any personal items lost or stolen at our programs.

## Non-Discrimination

The City of Raleigh Parks and Recreation Department does not discriminate on the basis of race, color, national origin, sex, sexual orientation or disability in employment opportunities or the provision of service, programs or activities. A participant alleging discrimination on the basis of any of the afore-mentioned areas may file a complaint with either the Director of the Raleigh Parks and Recreation Department or the Office of Equal Opportunity, US Department of the Interior, Washington, DC 20240.

## Payment

Please see payment options on page 19. If the required payment is not provided with the completed registration forms, the participant registration will not be processed and we will attempt to contact you to obtain payment.

## Personal Care

The City of Raleigh Parks and Recreation Department does not provide personal care for program participants. Raleigh Parks and Recreation staff does not assist in the toileting of any camp participants or help with dressing participants. The Department requires that all program participants are "potty" trained in order to participate.

If a toileting accident does occur, a change of clothes must be brought to the program site or the participant must be picked up from the program site within one hour of the incident. If toileting accidents become routine, participants may be dismissed from the program.

## Photography/Video Waiver

Pictures or video clips may be taken of any program participant while involved in City of Raleigh Parks and Recreation activities and may be used for marketing materials or staff training. Photos or video clips may be used in program activities. Participant's names will not be published when photo or video clips are used. Some program areas are permitted to have social media sites. These sites are controlled by departmental staff. If you do not agree, please indicate on the registration form.

## Release and Indemnity Agreement

I understand that participating in the recreational program selected involves risk of injury. These risks include inclement weather, accidents while traveling, equipment problems or failures, contact with and actions of other participants, slips/trips/falls, and musculoskeletal injuries, among others. I choose for myself or for my child to participate in the selected programs despite the risks. By signing the Participant Information Form, I acknowledge all risks of injury, illness, and/or death and affirm that I have assumed all responsibility of injury, illness, and/or death in any way connected with participation in the program. I also agree for myself and for

any child participant to follow all rules and procedures of the program and to follow the reasonable instructions of the teachers and supervisors of the program.

If I am registering a child for a program, I agree that I am a parent, legal guardian, or am otherwise responsible for the child whose application I am submitting and that I release, waive, and discharge any legal rights that I may assert on behalf of the child's participation in the program. I also agree not to sue the City, its employees, or its agents and agree to indemnify the City for all claims, damages, losses, or expenses, including attorney's fees, if a suit is filed concerning an injury, illness, or death to me or to my child resulting from participation in the program.

## Swimming Information (for applicable camps)

Raleigh Parks and Recreation staff will conduct swim tests for all program participants and issue lifejackets to non-swimmers. To swim without a lifejacket, a swimmer must be able to swim one length of the pool (approximately 25 yds. or 75 ft.) on their front and tread water for 30 seconds. All non-swimmers will be required to wear lifejackets. Parent/guardian can request that staff not allow the participant to participate in the swim test and automatically place the participant in a lifejacket. Staff reserves the right to place a participant in a life jacket in the interest of a participant's safety. All participants, regardless of swimming ability, will wear lifejackets when participating in water activities including swimming in lakes, rivers, or the ocean.

## Waitlists Notification

If your participant clears the waitlist, you will be notified by the Recreation Business Office staff by telephone. You will have 24 hours to accept and remit payment for the requested camp; the camp registration must be confirmed in writing. If notification is not received within 24 hours you will forfeit your camp placement.

## Withdrawal and Transfers

All withdrawals and transfers must be received in writing 14 days or more in advance of the start date of the program. Non-attendance or non-participation in a program does not entitle a patron to a credit of the registration fee.
